

It's time to "Play Ball" for the **Cougars!**  
We are looking for players interested in participating  
in the 7U Jr. Cougar Baseball program for the 2015  
season. We are looking for players from ages 5 to 7  
not turning 8 before May 1, 2015.

Our baseball program is one of the best school-based programs in the state of Iowa. You should know this is not a recreational baseball program. Our kids learn to play the game competitively from the very start. They play hard, they play smart, yet they have a great time in the process! As a result, our teams are very successful. Our goal is to develop great students and athletes who are prepared for playing the game at the high school level and to one day be a Kennedy Cougar.
